**Underline the adjectives in the following sentences.**

## **Hint**

An adjective is a word used to modify a noun. Adjectives usually go before the nouns they modify. They can also go after the verb be.

1. Jen is a beautiful girl.
2. Alice is very intelligent.
3. Your hair wants a good brush.
4. You make me nervous.
5. She is driving me crazy.
6. He is basically a kind person.
7. The police believe him to be dangerous.
8. Let's paint it blue.
9. I felt like a complete idiot.
10. She will be very upset if you don't call her.
